

# CELLAR DOOR WINE SALES

Château St Pierre de Serjac possesses 80 hectares of vineyards which are carefully managed by our wine partners Vignobles Bonfils to produce Red, white and rosé vintages.

These wines along with a selection from other Bonfils estates in the Languedoc are available at cellar door prices from the caveau.

Please fill out this form with the quantity you would like and hand it in to one of our team at the bar. They will arrange for the wine to be delivered to your room. Or if you would like to continue to enjoy our wines after your holiday we can arrange for shipping in Europe.
